Dear Ragav / Praveen,

I am writing to let you know how much I appreciate for providing the quality material and the outstanding customer service that you and your staff provided over the period. I have visited your showroom with my clients so many times to procure quality marbles / granite, you and your staff were very attentive and helpful in suggesting the right color, pattern and design.

Every time I visit your showroom, I get to see a new product and get to learn about them. I feel that the Team Madhusudan has good knowledge on the products they sell and seemed genuinely interested in helping our clients and us. Because of their efforts, we were able to find exactly what we were looking for.

I will continue to visit your showroom in future, as well as recommend it to others. I once again appreciate you for putting up a place where a quality Italian & international marble & granite are under one roof.

I look forward to working with you and your team again in future.

Yours truly,
